ARIVO Screen

For Efficient Parking Management form Entrance to Exit

The entry and exit displays are a useful addition to your parking equipment, improving overall parking management efficiency.

The displays make relevant info easy to grasp, ensuring a straightforward process for parking users and facilitating a smooth traffic flow during entry and exit.

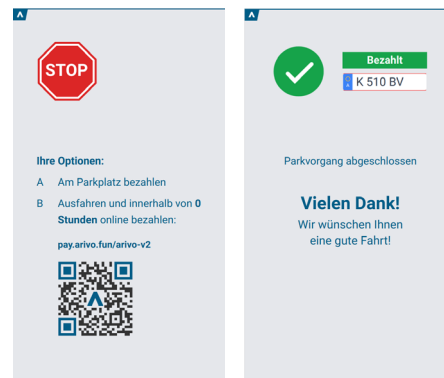

Advantages

✓ **Clear information display for customers**
Adapted to the respective situation: e.g. if a license plate has been recognized or parking fees are still open

✓ **Simple design**
So that your customers' attention is drawn to the most important things

✓ **Suitable for indoor & outdoor use**
Easy to read even in direct sunlight

✓ **Weatherproof, robust & vandal-proof**
Certified to IP56 & IK10

✓ **Large display**
46" screen diagonal
